

Process Group – Bangkok – 19th & 20th Sept 2015

“Process Group”– A Journey of Self- Discovery & Awareness

A process group consist of a group of people meeting up for the common goal of self-discovery and finding out more about who they are and what they would like to change in their personal lives and relationships with others.

Central to the process group is the opportunity for participants to talk and share as openly as they possibly can about their interactions and experiences of each other as well as any aspects of the group experience that may come to mind.

Come and experience for yourself the power of self-awareness through “process group”, the gateway to taking charge of your life.
