Objectives:

This seminar is for teachers who want to learn more about positive classroom management. Beginning teachers, more established mentors (Senior teachers/Staff Developers) who support teachers in their teaching journey will find this seminar very useful.

It challenges current thinking and offers practical approaches that are will be effective. Including:

- strategies for establishing positive teacher-student relationships
- how to teach the behaviour you want
- what to do and say (and not do and say!) in challenging situations
- how to conserve your emotional energy so you stay resilient and enjoy being a teacher
- elements of Positive Education in Classroom Management
- building healthy Parent Teacher relationships
- managing students with Special Needs

Emphasis on Enhancing:

- ✓ Teacher-Student Relationships (TSR)
- ✓ Positive Classroom Culture
- ✓ Supporting students with Special needs
